

**Awesome Art Volunteer Information:**

Awesome Art is a fun and creative way to volunteer in your child’s classroom! It is an opportunity to present an artist, share a story, discuss a painting and/or do a short project once a month.

The commitment is once a month for 30-40 minutes. You will coordinate with the classroom teacher to find a day & time that works best for both parties.

The PTA has a cabinet full of art supplies, posters and folders with useful information for each artist at your fingertips! If you are interested, please fill out the information below. I will contact all volunteers to set up a short meeting where you will get the list of artists and additional information.

Much thanks!
